

2009 Central Pennsylvania Region SCCA Witches Rallye Rules and Regulations

This event is sanctioned by the Sports Car Club of America and is subject to the rules and regulations of the SCCA Road Rally Program. For the most part this is all simple stuff, but PLEASE be aware of all of the following so you are not turned away the day of the event.

- Entrants under the age of 18 (including extra passengers) MUST have an SCCA Minor Release Waiver signed by BOTH parents to participate. If you are not familiar with the SCCA Minor Release Waiver, please contact the event organizer in advance to find out what you need to do.
- Drivers shall be required to present the following documentation at registration/check-in the day of the event: A valid driver's license, proof of vehicle registration, and proof of vehicle insurance. Also at registration, the driver must sign a waiver attesting that the liability limits of the insurance policy are no less than \$20,000/\$40,000/\$10,000.
- All vehicles entered in the Witches Rallye must have current inspection and registration stickers affixed at all times. Unregistered/inspected vehicles will NOT be allowed to participate.
- Vehicle size is limited to "normal" passenger vehicles. Vehicles such as limousines and 15-passenger vans are strictly prohibited. Any questions regarding eligibility of vehicles should be directed to the event chairman.
- This event takes place on public, open roads. ALL TRAFFIC LAWS MUST BE OBEYED. Failure to obey these laws may result in disqualification/dismissal from the event and/or future events.
- Navigational aids aside from road maps (ex. GPS units/systems, laptop computers, OnStar, etc...) are specifically prohibited from use during the event. Teams caught using such devices WILL be disqualified from the event. Drivers with vehicles having integrated navigational systems are asked to be on their honor and not use them.
- **THE USE OF ALCOHOL AND/OR DRUGS IS STRICTLY PROHIBITED FOR THE ENTIRE DURATION OF THE EVENT**. This includes the final meeting location after the driving portion of the event has been completed. Any team found in violation of this policy WILL be disqualified/dismissed from the event and possibly from future events.
- HANDHELD SPOTLIGHTS ARE STRICTLY PROHIBITED. Any team caught using them will be disqualified. If you are unsure if your light qualifies as a handheld spotlight, please contact the event organizer for clarification.
- Points may be deducted from a team's final score for any of the following reasons: Incorrect answers to questions within the route book, finishing before or after the prescribed time limits, exceeding mileage limitations, or unsportsmanlike conduct.
- Teams must go through all checkpoints indicated in the route book and acquire a "token" as proof of stopping there. The route book will provide clear markings as to the locations of these checkpoints. Failure to stop at all of the checkpoints is grounds for disqualification as per the official SCCA RoadRally rules.
- Each team will be provided with a "Panic" envelope at the start of the rally. In the event a team gets lost during the running of the event and no longer wants to be scored for points, they may open the envelope, which contains the location of the dinner and awards hall and also will have the cell phone number of the event organizer. Teams are asked to contact the event organizer if they open the "Panic" envelope. At the end of the event, teams MUST turn in their UNOPENED "Panic" envelope to receive points for the rallye.
- Above all else, remember this event is to support the Four Diamonds Fund through a donation to THON 2010, and **HAVE FUN!!!**
