Treasury Report: Ron Dotts: Approx. \$15,000 in checking and CD's. The club is \$1,300 in the black for the year. All past due sanctioning fees have been paid to national. Dix Honda has not yet paid sponsorship for the season

Secretary Report: May minutes approved

Solo Report: Dave Kraige: The auto-x events this season have been profitable. Recently, cones were purchases to replace old and damaged cones and weekend membership forms have been ordered.

Old Business: Pertaining to Alleghany Highlands Chapter (AHC): AHC has petitioned SCCA national board of directors to become a region. National has decided to grant AHC a regional status. This goes against the majority vote of the CPR members. Dave will make the e-mail address and phone numbers of the board of directors available to all concerned CPR members. Tom raised the questions of, would CPR want to become an independent club or join another sanctioning body?

New Business: The Cone Killer planning committee has been moving forward with the event planning. For whoever is available there will be event set up on Friday July 15th. Lawn mowers and weed whackers will be needed to clear some of the grassy areas for camping. Additionally, if anyone can bring coolers to the event, that would be appreciated. Steve asked about places to advertise for the CKC. Charlie suggested the Centre Daily Times.

Steve and Brindsay have decided to volunteer to chair the Witches Rally.

The fees for the alternative fuel auto-x, held on May 20th have been paid (\$500).

Some of the CPR members participated in the track day at Nelson Ledges road course. Everyone had a great time. An additional track day is upcoming, at Pocono raceway on August 27th. Check out www.cartct.com for more information.
